

THE WORD

November 5th, 2026
Issue 6

Things are officially in full swing as training kicks off tomorrow! As we ramp up, please keep an eye on your inbox. Emails will be coming at an increased pace from **SPSchoolStaff@vailresorts.com** and **PeopleConnect@vailresorts.com**, and both will contain important onboarding reminders, required action items, and training information.

*Training reminder emails from SPSchoolStaff will **include step-by-step instructions to help you navigate the onboarding process** and complete any outstanding requirements before your arrival.

We're excited to welcome everyone back and look forward to seeing you soon on the mountain!

Save the Date! Welcome to Winter Celebration & Orientation

December 1st 9:00 AM to 3:00 PM

Mark your calendar for our Welcome to Winter Celebration & Orientation. This event will be an opportunity to connect with the greater resort team and share in the excitement for the season ahead.

While we're planning for this event on our anticipated timeline, mountain operations are always subject to weather, snow conditions, and opening plans. We will share updates and confirm final details as the season approaches.

Complete your Uniform & Parking Forms!

Please select "Initial Uniform Assignment", choose "Department Distribution" for pickup, and complete all sizing questions to help ensure your uniform is ready for Indoor Training.

Uniform Form 27

If you will be parking at the Summit for work, please also complete the Parking Permit Form. Parking permits are available only to active employees and are required for anyone parking on-site.
*If you need help finding your employee ID please reach out!

Parking Pass Form 27

Please submit both forms as soon as possible to help us prepare for a smooth start to the season.

A little fun to Stoke the Winter Spirit

DUER is bringing Chris Burkard to REI Seattle to screen his newest film, **Searching for Supercrust: The Lost Tapes.** Follow five cyclists as they attempt to cross Vatnajökull, Europe's largest glacier, by bike. This film screening explores an expedition 30 years in the making through the stories of riders who came before and a look at the future of a changing landscape.
