

Winter 17-18' | Issue 1 | Sept 15 2017

WELCOME BACK!

Hope you all had an AWESOME summer!

After such a **HOT** summer I can't believe it is starting to come to an end and we are transitioning to think **SNOW!**

HAVE YOU APPLIED?!

Check it out—
<http://www.stevenspass.com/jobs>

Once you've submitted your application, look for a follow up email from us to submit your work schedule.

Some new open positions include: *SSS Guest Services Supervisor* and *Admin Coordinator*—take a look if these sound like something up your alley or you know someone who would thrive in these roles.

Winter 17-18' UPDATES

RENTAL SHOP PROJECT

We are working hard on some alterations to the rental shop, expanding each part of the process to accommodate a higher guest volume. More details to come soon!

EVENING LESSON PROGRAMS

This year we will step up our evening and night lesson programming, including hiring staff to specifically work evening or late start shifts. (First tracks anyone?! Or maybe just a chance to sleep in!)

- **Friday & Saturday Nights:** Adult and Adventure Club Group lessons, Kids Club hang out and Private Lessons

- **Sunday Nights:** Adult Group lessons

- **Locals Program:** Stay tuned for more information about a program we are working on to get local and employee kids on snow for low to no cost.

LESSON UPDATES

MULTI-WEEKS

Base Camp, High Camp and D-Team have shifted to all start the weekend AFTER the MLK holiday. Programs will all operate for consecutive weeks, with no more skipping weekends.

This helps to give everyone more a much needed break after the holiday madness and makes the schedule a little simpler for all concerned! ☺

TEAM TEACHING

When applicable we will be scheduling instructors with a partner for the day. This will help to facilitate class splits, handle issues, bathroom breaks, bigger classes, and provide a built in buddy-support system as well as a great way to mentor one another and share ideas.

KEY DATES:

- **Oct. 28th**- Stevens Pass Job Fair
 - Any friends/family jealous of your winter office? Pass along this date to them!
- **Nov. 4th**- Fall Training (aka: Orientation)
 - Some online material will be sent out in Oct as part of this Fall Training session
