POWDER DAYS!

Have you seen these POW days lately?! Hope you have been able to get out there and enjoy some powder filled turns lately! As we enter MLK weekend, expect to see high volume of visits so plan your commute properly, carpool, get your transit tickets etc.

Some brief reminders are below...

Reminder: Please check your schedules! If something does not look right or not something you were aware of—let us know!

Reminder: If you have two or more absences, you can expect an email from us regarding making up for your lost time! Please refresh yourself on the attendance policy located [here](#).

Reminder: Your jacket/uniform is only to be worn while working! Please do not wear your jacket off mountain unless specifically required for your position.

Reminder: If staying overnight in the bunkhouse you will need a parking permit to park at Yodelin; please check in with the bunkhouse monitor, Stephen L. upon check in.

UPDATED Transit Schedule: [HERE](#)

STICKERS FOR PURCHASE

Would you like to place your own order of Stevens Pass stickers to hand out to your friends, students, embellish your helmet, skis, etc!! What a great way to stoke out your students and get them to be a part of our community!

Stickers will come in packs of 100 and are available in 4 different design options. See below for visuals and prices. Prices will vary based on the overall order quantity.

Please email Snowsports@stevenspass.com with your order- sticker choice option + number of packs by 4pm Thursday, Jan. 18th

Instructor/Staff Member of the Week!

Ellen Moline (ski)

For keeping a super positive attitude through a not so fun ski experience. Sending you all the best vibes and a speedy recovery from your ski school fam!

Jacob Wiper (sb)

For jumping in and helping wherever is needed, for embracing opportunities to learn and getting great feedback from guests and coworkers. Thanks for making everyone’s job easier by being awesome!

Nolan W (Carpet Ops)

For always having a positive attitude, smile on his face, and engaging with guests and keeping them stoked to be on snow!
