

Winter 18-19' | Issue 1 | Sept 29 2018

HAPPY FALL YA'LL!

The leaves are changing colors and it is starting to look very picturesque PNW fall on the mountain these days!

We hope you are just as excited for the upcoming winter as we are! As you know, we are officially a Vail Resort and have been in the process of changing to new systems and procedures so we greatly appreciate your patience and flexibility as we work through new details for our department.

If you are new to our school, check out our department Facebook group:

<https://www.facebook.com/groups/StevensPassSchool/>

This is a good resource to meet other school staff members, buy/sell/trade gear, ask around for housing info/roommates and share some great videos or funny pics.

Have a friend that you think would be a great fit joining our school? Send them to this [LINK](#) to submit an application! Start bugging your fellow ride buddies to submit their application so we can get this winter party started!

NEW IN THIS SEASON

We have an updated [instructor pay scale](#) found [HERE](#) on the school website. We will still be a PSIA/AASI member school and our pay scale will continue to recognize these certs. **Job offers will be sent within the next two weeks via email!!**

[HERE](#) is a general breakdown of our employee benefits in regards to your employment status. (You may have already received this from us earlier this fall!)

Let us know if you have further questions by emailing snowsports@stevenspass.com ... but first check out this section →
