TIRED OF SCRAPING LEAVES YET?

Don't you worry... soon this will all be the white fluffies we all love so much! Hope you are enjoying the beautiful fall weather and taking advantage of the longer evenings but we are getting pretty excited as we prep for the upcoming winter season.

Have someone in mind that you think would be a great fit joining our school? Send them to this [LINK](#) to submit an application; indoor and outdoor support positions are still hiring. Start bugging your fellow ride buddies!

If you are new to our school, check out our department Facebook group: <https://www.facebook.com/groups/StevensPassSchool/>

This is a good resource to meet other school staff members, buy/sell/trade gear, ask around for housing info/roommates and share some great videos or funny pics.

Check out this [quick video](#) showing one of our Vail Resorts schools and how what we do can make a difference! PS-- Can you guess which one of your school leadership team members submitted this one ;)
