

Snowsports THE WORD

Winter 18-19' | Issue 11 | Dec 14 2018

HERE WE GO!

And just like THAT it's winter all over again! It has been a great few days of being open for operations; despite some new kinks and a tad bit of early season confusions... we are all SO STOKED to see the locker room full, new team members meeting returning team members, catching up with our winter friends, and the all around excitement and buzz of the mountain.

Instructors: Make sure to check your schedule to see if you are working this weekend! Saturday kicks off our first seasonal program for the winter. Follow this link for more details on how to read your [instructor schedule...](#)

Staff: Make sure to check in with your supervisors if you are unsure about when you are scheduled for work or training.
