Summer Employment

Thinking warm thoughts? Check out our webpage for summer listings [here](#).

Established in 2002, the Logan Scholarship for National Academy has provided more than 100 Vail and Beaver Creek instructors with the opportunity for continuing education and professional growth through attendance of PSIA-AASI's National Academy.

Last season, Kent and Vicki expanded the program to include a scholarship for Park City, Breckenridge, Keystone, and Stowe.

For the 2018-19 season, rather than identify specific schools, Kent and Vicki Logan have grown the Scholarship to include 5 global scholarships available to ALL Vail Resorts' ski & snowboard school instructors, in addition to the 15 they send from Vail and Beaver Creek. (Vail and BC instructors are not eligible for the 5 global scholarships)

Our very own David O'Donnell has been chosen for the scholarship this season! **AND Tiana Peterson** has been chosen as the first alternate for the snowboard side. Big congrats to those two! Thank you to everyone who applied, as well! This is a great opportunity- look for it again next season!
