

# Snowsports THE WORD

Winter 18-19' | Issue 25 | Mar 22 2019

## Professional Snow Enthusiasts!

With the spring sunshine coming out these days we would argue that we have a pretty great “office”!! Hope you have been able to get out and enjoy the sunshine and slushy laps!

With the warmer weather one thing to note for all staff—indoor and on snow, is to remain in uniform and keep our professional appearance up. Do these guys in the photo above look like who you’d like to learn to ski from, send your kids on snow with all day, or purchase your lesson and get questions answered from?!
