Employee Assistance Program + SP Community News

Recently, a member of our SP employee community, Molly Acey, has passed away in a tragic accident. Our thoughts are with her family and those within our community that knew Molly.

As a reminder for all employees, we all have access to the Employee Assistance Program by calling 877-327-2289 or online <https://www.guidanceresources.com> password: VaileAP. The EAP is a great resource for anyone in need of support through a difficult time.

Mountain Exchange Program ends **April 15th**!

Get those turns in our other local mountains while you can.
