***CORRECTION- First! Apologies for any confusion from the previous edition, the last day the locker room will be open to staff is 5/2! (...Not 4/2... ˘(͡)˘) ***

For some it is time to let your gear hibernate for the summer! Please be sure to take your equipment home, empty and clean your locker if you had one, and to have all personal belongings out **before the end of day 5/2!**

You will also want to have a plan set to return your uniform yourself, as part of the commitment you signed when picking it up so that you do not get charged!

A LEARNING EXPERIENCE..

What not to do this summer while out hiking....
