SHOUT OUT TO OUR LEADERS

I just want to say I love the leaders I work with.

This past week I've seen them sharing their love of sports with our youth. I've learned some new things from tips on how to teach young ones to board aka. turning to the other side lol. Watching the two of them I don't know who was giggling more in this picture. To red light, green light, purple light. Did you know there was a purple light? There have been struggles throughout the season but moments like these, finding and sharing the joy with others is the reason I keep coming back. Thank you, Andy and Jeanine, for making this season great! Thank you for being amazing leaders.

- **Leslie Long**
