Bike Park – Come join our Summer Team

Winter is wrapping up which means the summer season is nearly here! If you aren't ready to let go of the mountain experience or, perhaps, you enjoy cruising down trails on two wheels, then consider working for Bike Park this summer season. Be sure to **check out all the open positions via the [careers page](#) and/or reach out to Alicia O'Donnell with your interest and questions.** If you do commit to coming back for both summer and next winter, you could qualify for Season-to-Season status for additional benefits.

****Bike Instructor positions will be posted next week! 😊****
