Our thoughts and support are with those impacted by the [Bolt creek fire](#) on the Westside of the pass. A huge thank you to the first responders for your continued efforts!

Wellness Resources continue to be available 24/7 to all Vail Resorts employees, dependents, and household members. More information is available by calling 800.873.7138 and additional details can be found [here](#).

Fall Get Together- Postponed.... New Date: October 29th

Out of respect to the ongoing fire efforts and the impacts on the Westside, we have made the decision to postpone our get together by a little while things clear up.... Don't worry the day will still be happening, just a little later and spookier than originally planned....

We will provide more updated details on the plans in the next edition of the Summer Word! For now, we appreciate your understanding and look forward to hopefully seeing you soon.

SIS Background Checks Happening Now

This last week, SIS employees were sent a link to complete their background check for the upcoming season. Please keep an eye out for this email from PeopleConnect@VailResorts.com and complete the steps outlined. The email will be sent to the address we have on file and contain a link to complete the background check with Verified Credentials, our background check vendor. The background check must be completed and results need to be returned to Vail Results before an employee can return to work for the season.

KEY DATES:

- **Monday, September 5th**- Labor Day
- **Friday, October 14th**- 40% off Retail at Resort Locations goes live.
- **Friday, October 29th**- Fall get together!

Rescheduled, See Details above

Support Staff Position!

Do you know anyone interested in joining our support staff team?! This position will work closely with our youngest guests on the mountain, supporting our instructors as well as helping with our rental operations, daily check-in/outs and our magic carpet operations! It is a great opportunity for anyone with or without ski/snowboard experience. [Click here](#) to view the job description for more information!

ICYMI: Seasonal Programs Launched

Our signature multiweek products went live on the website this past Tuesday, the 13th. Already, we've seen high demand and products selling quickly! There is still inventory and available products can be purchased online or by contacting the Call Center.

Building a More Inclusive Bike Park at Whistler Blackcomb

The team at Whistler Mountain Bike Park has been hard at work and collaborating with adaptive mountain biking experts to build a more inclusive trail network. The team has been evaluating and implementing the Kootenay Adaptive Sport Association's Adaptive Mountain Bike (aMTB) grading system for Whistler's aMTB greens to infamous aMTB double black diamond trails.
