Sweet & Sour

SWEET - Announcing our new Training Supervisor - Mike

Douglas - We are super excited to announce Mike Douglas will be our new Training Supervisor. Mike started October 17, and true to his style hit the ground running. Look for news from Mike coming soon about what to expect regarding training. In case you are not fully aware of all of Mike's awesomeness here are a few of the high points:

- Current member of the PSIA-NW Technical Team! Setting skiing, teaching, and technical standards for the NW and representing the NW nationally.
- Children's Specialist Clinician! Young child whisperer.
- Diverse Training Management experience! Bringing perspective and best practices from Breckenridge and the Summit at Snoqualmie.
- Experienced professional Ski Instructor at a full range of North American resorts including: Nakiska, Selwyn, Snowbird, Deer Valley, Breckenridge, the Summit....and of course best of all....Stevens Pass

Welcome Mike! We can't wait to see where you will take our training and development and feel especially lucky to have you on our team.

SOUR for us and SWEET for Tiana - Tiana Peterson

is moving to Mt Hood Meadows to join their team as the Training Manager. We are so excited for Tiana and her opportunity to positively impact Meadows in the way she did all of us at Stevens Pass. As you know, Tiana has been an important contributor to our development, advocate for our school and diverse voices, and a close friend and confidante to many. After losing her lease in Leavenworth, Tiana saw an opportunity to move to Oregon, closer to family. And of course, those folks at Meadows are no dummies...so they scooped her right up. While it is hard to lose a valuable teammate it's great to know another school in the PNW will have the benefit of Tiana's leadership.
