

Ski and Snowboard School

THE WORD

Winter 22-23' | Issue 7 | Nov. 25, 2022

Are you Ready?!

Winter is coming...

Last week we received another covering of snow and more is on its way! It is still too early to tell whether this will be enough to open the resort but we are hopeful.

Mountain Ops is keeping a watchful eye on conditions and will make the call. Continue to monitor social media platforms for the most up to date information. As well, once we know, we will be sure to cascade the information appropriately.

In the meantime, if you want to see how it is all stacking up [check out the resort webcams](#).

Leadership Update

From Vince Arthur, Dir. of Mtn Operations-

*I am very pleased to announce **the promotion of Justin Tremlin to Sr. Manager: Resort Operations**. In this role, Justin will provide Leadership during night operations and have oversight of our summer business. Justin's knowledge, background, history with Stevens, and passion for our resort will serve us well in his new position.*

Justin started working at Stevens in 2002 and has held several positions during his time here, including repair shop, housing manager, boot fitter, employee store, uniforms and instructing.

Please join me in congratulating Justin in his new leadership role!

The SSBS leadership is very excited for Justin and are proud to see one of our own take on this new position and challenge. We want to extend our congratulations to him and, even though he is not working directly for our dept., we will continue to work with and support Justin any way we can.
