Updates for All

It is another holiday weekend and, tomorrow (Saturday) is looking to be our busiest day yet! We have nearly 190 guests signed up for Adult Programs alone! We also have all programs operating including seasonal programs. Make sure to check your schedule and show up, on time, to your appropriate check in area.

Metrics

For your weekly metrics update, we are excited to share that we have passed the 2000 student threshold for number of first timers taught. After this weekend, I'm sure we will be celebrating another milestone!

In addition, we remain 42 days incident free. This is great and, we want to remind and encourage everyone to report incidents and good catches as they arise. This helps us all to Be Safe and improves our ability to prevent them from happening in the future.

Seasonal Continuous Listening Survey

Our Continuous Listening Pulse Survey is open to all seasonal team members and it closes tonight, January 13th at 11:59pm! This is a valuable opportunity for you to have your voice heard. The feedback provided through these surveys have had a direct impact on the actions we have taken over the past year.

PS- MORE EMPLOYEE PARTICIPATION = MORE CLASS OPTIONS :)

We are lucky here at Stevens Pass to have an area designated to employees to eat, relax, socialize, play games and much more. Last winter, we were able to introduce yoga and the January 2023 schedule is out now! The more employees that participate will make it so there are more class options available!

Epic Wellness Month

We are starting the new year with Epic Wellness Month, so keep an eye out in January to learn more about the mental health resources available to you. Through our expanded [Employee Assistance Program](#) you, your roommates, and dependents have access to both face-to-face and virtual therapy options for free – including phone, video, chat, or text! Virtual therapy offers you a more flexible approach to counseling and you can get connected to text-based therapy, or phone and in-person options, take advantage of the [Digital Intake](#) to match with the type of therapy you are looking for. Register for a new account and use “vaileap” as the company code. You can also call (800) 873-7138 for support 24/7.
