

Ski and Snowboard School

THE WORD

Winter 22-23' | Issue 23 | Mar. 24, 2023

Welcome to Spring

We hope you have been enjoying the change in weather; from snow, to warm sun to cloudy skies. Keep in mind these changing conditions and plan accordingly. We recommend dressing in layers!

We also want to recognize and celebrate our recent exam successes! Congrats to **Robyn Sherwood** for passing her L2 Technical Module and to **Daniel Steinberg** who passed his Teach Module to complete his L2!

Remember, it's exam season. If you recently passed an exam module(s) or accreditation let us know! We want to update your credentials, celebrate your success and make sure you get your reimbursement.

April Training

Come and join us on the weekend of April 1st and 2nd for a training event that will allow you to see Stevens Pass through a completely new lens. Come ski or ride with a Stevens Pass "legend" and get to know the history of the resort, the stories behind the names of the lifts and trails, and share your own personal experiences with your group. For those looking for a technical focus, we will have clinics for you. Login to instructor.snow.com to sign up for these 2hr clinics. These will finish in time for us all to go to the SRS party.

End Of Season

As you prepare for your last day, please make sure to check out [EpicEmployee > End of Season](#) for everything you need to know about wrapping up this winter.

Please make sure to return your uniform and take any gear with you. Any items left in the locker room after April 17th will be donated or tossed.
