Last Chair

It's the last weekend of operations! We've had an incredible season and we are so appreciative for each and every one of you. Thank you for choosing to share your passion with our community.

As we wrap up, we wanted to call out some huge resort wins:

- We have taught more than 5200 first timers this season with 3000 of those from Adult Groups alone!
- Lift operations hit 99.3% mechanical uptime this season!
- Stevens Pass is a finalist for the NSAA Marketing Award "Best Use of Social Media" category!
- Our GX scores (as a dept & resort) have improved in every category – some by a large margin! Thank you again for making the guest experience amazing this year!

Plus, in trainings news, we have another person to celebrate. Huge congrats to **John Gadbois** for passing his Snowboard Level III Technical Module!

End of Season – EpicEmployee Access

Following the end of the season, all our winter seasonal employees will be adjusted to an inactive status. This means that when you go to EpicEmployee things may look a little different soon. You can still access your pay and W2s, as well as anything HR related. Of course, if you have any issues, please let us know; we are happy to help where we can.

To do so, visit alumni.vailresorts.com

Employee Kehr's Chair Sale

Did you know: this summer, Kehrs Chair is being upgraded! In support of the EpicPromise Foundation, the current lift chairs will be auctioned off to the public. Before this happens, you have the chance to snag a piece of Stevens Pass history; 20 chairs will be held for seasonal employees and sold for a fixed cost of \$200. **To submit your interest, please fill out the following form by 8pm on Monday, April 17th.**

Employees will be selected at random if the interest exceeds the numbers of chairs allotted for employees. If chosen, you will be notified on Monday, April 24 and you will be responsible for picking up and transporting the chair at a date TBD.
