

Summer 23' | Issue 2 | June 23, 2023

## Bike Park is Open

The time has come, Bike Park is open!

"Seems like I never crash when I have my pads on, so now I just wear them for good luck."

Thursday we welcomed our employees and pass holders for an appreciation event. It was fun and a great way to celebrate our community. Today, through the weekend, we are excited to welcome more guests and take out our first lessons!

### Interested in checking out the fun for yourself?

Winter 22/23 employees who ended their season in good standing qualify for limited summer perks. These include:

- Free Scenic Lift Rides
- 50% discount on a Bike Haul Pass (does not apply towards daily Bike Haul Tickets).

Plus, leftover 22/23 F&F winter coupons are good for additional summer access.

## Bike Guide Training

**Reminder:** For Bike Park staff, we will host training this Saturday and next, depending upon the day you signed up. Please remember to bring your gear (bike, full-face helmet and elbow/knee pads). If you don't have these, we have some available.

The trails are looking nice and we are excited to get the season rolling.

## Survey Time

**Save the Date:**  
Our next Continuous Listening Survey (for active staff) launches July 5<sup>th</sup>. Eligible employees will receive an email invitation to participate.

We appreciate your time and feedback! It helps provide context for conversation and action.

## Mountain Clean Up

On Thursday, 6/15, summer employees gathered to participate in a base area cleanup. This included the parking lots, lodge plazas and lower slopes/learning area. Many treasures were discovered including a door mat, a dirty diaper (yuck), a \$100 bill! and even a rug (found by Alicia).

Thanks to everyone who participated and for taking care of our incredible mountain space.

## KEY DATES:

- Friday, June 23<sup>rd</sup> – Public Bike Park Opening Day
- Saturday, June 24<sup>th</sup> – Bike Guide Training
- Saturday, July 21<sup>st</sup> – Bike Guide Training
