

# Stevens Pass Snowsports School

# THE WORD

(Bi-Weekly Summer Edition)

Summer 23' | Issue 4 | July 21, 2023

## Another Sun-Day

### Save the Date:

Join us on Saturday, August 8<sup>th</sup> for a Staff/Instructor Meetup!

We will be hosting these events regularly and, for this first occurrence, we will be organizing a group hike/chairlift ride at the resort. Plan to meet at the locker room around 9:30a in order to start hiking/catch a scenic ride by 10a.

Once we finish, you are welcome to hang around at the resort. Consider grabbing a scoop of ice cream from the T-Bar, trying out the bike park or grab lunch at the Bull's Tooth. We hope to see you there!

P.S. Feel free to invite friends or family to tag along. Leashed pets are also allowed in the base area and on the PCT however cannot ride the lift.

## Leadership Update

We are thrilled to announce a well-deserved promotion within our ranks! It is with the greatest delight that we extend our congratulations to **Christie Voos who has accepted the Director of Base Area Operations position for Stevens Pass.** In this role Christie will sit on the resort Senior leadership team and will oversee and support our Base Area depts. including Parking, B&G and Security to name a few.

Christie first joined our team in 2021 as a Part Time Ski instructor before stepping into the Admin Specialist role. Her contributions have not only enriched our team but have also positively impacted the resort as a whole. Prior to working for Vail Resorts, Christie held several leadership positions in various fields. Her strong roots in the community paired with her exceptional skillset, expertise and mindset will lend well to this new challenge and we are excited to continue working with her in a new way.

Please join us in congratulating Christie on this remarkable achievement. And, be sure to say hi whenever you see her.

## Mountain Biking to help with Skiing/Boarding

Try something new for your off-season preparation by getting into downhill mountain biking. Just like skiing/boarding, mountain biking incorporates the following concepts:

Tool under body, Extension/retraction, Pressure, Tilt, and many more...

Come experience a new sport, build your winter skills and see Stevens Pass during summer operations. Shred you soon. BIKE PARK!

## KEY DATES:

Friday, July 28<sup>th</sup> – Sunday, July 30<sup>th</sup> – NW Mountain Challenge  
Saturday, Aug. 8<sup>th</sup> – Staff/Instructor Meetup Day
