THE WORD

(Bi-Weekly Summer Edition)

Summer 23' | Issue 3 | July 7, 2023

Happy July

We hope everyone had a nice holiday weekend and are enjoying the weather. It's been so nice at the resort; the snow has melted and flowers are starting to bloom. Even better, winter staff have also visited us; we've enjoyed catching up with these folks and seeing their familiar faces.

Exciting update: We now have STOP buttons in the carpet operator "shacks." This has been a couple of seasons in the making and means that on weather-y days, our operators can stay out of the cold/wet (for the most part).

We acknowledge there is more work to be done and we are happy to take this step in the right direction.

Winter Jobs are being Posted

Winter jobs are being posted on the career site. Remember, being on SIS (Seasonal active status) means you do not need to reapply for the upcoming winter. However, if you know someone who would like to join our team have them [check it out](#).

Note: For SRS, Non-Cert, Staff and Leadership positions will be posted soon. We will let you know.

As well, we also want to remind you all of our [Internal Careers Site](#).

In addition to jobs that are posted externally, this page features certain roles that are posted only to internal candidates. Right now, there are a couple of Year Round, Full Time positions at Stevens Pass posted. If you are interested, we recommend applying soon as these will go fast. If you have any questions or want more information, let us know!

Kehr's Chair Auction

If you've been following [Stevens Pass](#) on social media, you likely saw that last week we auctioned off 63 chairs from the Kehr's Lift. We are excited to share that **\$122,442 was raised for the Epic Promise Employee Foundation**.

The funds raised from this auction will directly support employees at Stevens Pass and Vail Resorts during times of need through hardship grants and scholarships to pursue educational opportunities. We have had several recipients from Stevens Pass and from our dept. directly (including yours truly, Alicia) and I can personally say it is a great resource to have. To learn more please visit: [EpicPromise – Foundation](#).

KEY DATES:

Friday, July 14th – Last day to submit Continuous Listening Survey
Friday, July 28th – Sunday, July 30th – NW Mountain Challenge
