

# THE WORD

Summer 23' | Issue 6 | Aug. 18, 2023

Hope you all have been staying cool in this heat. For the next few editions we will be experimenting with some new formats for The Word. As well, making some changes to our website. You may notice moments when the site is down or content is missing. These will be solidified soon and both are happening as a result from you feedback. Thanks for sharing your thoughts and we hope to make both more user friendly.

## Photo ops anyone?

Look what we are giving away. After two decades, this one of a kind photo board is looking for a new home. This unique work, created by the same artist who did the mural on the Youth Programs wall, has a wonderful Stevens Pass snow theme of children playing in the snow. It is perfect for a place such as a daycare, school, non-profit organization, that is looking for additional props for their holiday decorations. Please contact us if interested.
