

Summer 23' | Issue 7 | Sept. 1, 2023

Can you believe we are in September? Already! The weather at the resort has responded in kind with cooler temps and wetter weather. This has provided some needed moisture to the bike trails and has given us all a break from the heat.

### SIS Background Checks

**SIS (seasonal inactive status) employees:** Please keep an eye on your email inboxes. This week, background checks will be sent to all returning employees. This is a required step and must be completed before beginning work. Additionally, your season pass will not activate until you have done so.

This email will come from PeopleConnect@VailResorts.com with a link to complete the background check with Verified Credentials, our background check vendor. While most background checks take only a few days to complete, please keep in mind that the turnaround time for results is highly dependent on locations where the employee has lived and some can take more than 7 days.

If you do not receive this email, (and believe you should) let us know and we will work with you to resolve

### SAVE THE DATE—SRS Disc Golf Day

Join us Saturday, September 9<sup>th</sup> for a disc golf challenge. Meet at the locker room at 9:30 am for a 10 am load on Hogsback. From the top of the lift we will play the disc golf course back to the locker room. We have discs available to borrow, but please bring your own if you have one (or a bag full!) We will play in teams. For the 19th. Hole, bring a bag lunch or get lunch at the Bullstooth.

### Employee Spotlight—Tim Rickman

Last month, Stevens Pass hosted the NW Mountain Challenge,. An archery event, it was a big success, bringing many people, lot's of fun and plenty of foam animals to the resort. We also saw some familiar faces, like our very own Tim Rickman with his son.

Have you been up to anything fun this summer? Send us some pics to be featured in an upcoming editions of The Word.
