

Winter 23' -24' | Issue 6 | Nov. 17, 2023

We have our last scheduled Indoor Training this weekend. It has been so great gathering the team on-site. Seeing faces, new and returning. It definitely has us excited and, we hope, you as well.

For those that were not able to make an indoor session, don't worry, we have a plan for you. More details to come soon.

Welcome to Winter— Harvest Lunch

You are invited to join us this **Wednesday, Nov. 22nd from 11a—3p**, for an all-employee winter kick-off event. Join your fellow employees to learn more about the upcoming season and celebrate with a meal together. We hope to see you there.

New LIFT Training

More LIFT Training is being released and will be cascaded to you soon if it has not already.

Remember: the training you are assigned is based on your role and must be completed before being on-snow training.

More Training!

Thinking of attending a PSIA-AASI Northwest event this season? If you are considering an assessment, looking to up your skills at an event like Winter Blast, or want to break down movement patterns at Immersion, now is the time to sign up. If an event that you want to attend is full you can join the waitlist. You will only be charged if a spot opens up. If you are not sure what event best aligns with your goals, talk to Mike.

Mountaineers Lodge

Looking for a place to stay on-mountain overnight? Look no further than the Mountaineers Lodge. This ski-in/ski-out lodge is open during the season and sits right next to the resort above lot 4. Even better, Stevens Pass employees are eligible for 25% off their stay.

Amenities include:

- Food
- Hot Showers
- Boot racks/drying room
- And more!
