

THE WORD

Winter 23' -24' | Issue 11 | Dec. 22, 2023

Happy Holiday Time! We know this time of year can be a lot and we hope that along with any celebrations you are also finding time to rest and enjoy the season.

We also have a lot to celebrate this week! In addition to some great GX (guest feedback) shout outs that we've been able to share; we also had 3 folks attain their Children Specialist 1 accreditations. Please help us celebrate these folks: **Annette Diggs, Winston Wolf, Ken Will**

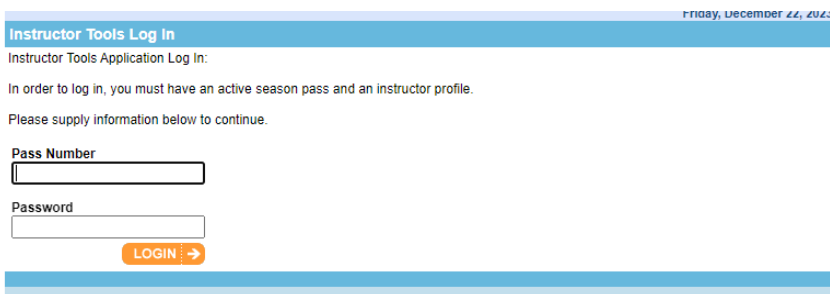

Continuous Listening

Tonight is the deadline! The continuous listening survey closed today.

The survey is an important tool in how we understand what's working and where we can take action to improve. The survey is anonymous and your feedback matters to our entire leadership team. If you have already taken the survey – thank you, and if you have not yet, please look for an email from “Vail Resorts Employee Surveys”.

Fall Line Sports—Retail Spotlight

The holidays are here! Stop by Fall Line (located in the Pacific Crest Lodge) and use your **40% discount** for any last minute gift needs. It's early in the season, so there's still a good selection of outerwear, goggles, and Ninja Suits (yes, they are amazing) as well as some brand new stickers and logo fleeces. The store will be open until 9:00pm Friday and Saturday, and 4:00pm Christmas day; hope to see you in!

Free Flu Shots

It's that time of year – time to strengthen your defenses against the nasty flu virus. To help you stay healthy, we sponsor **free flu shots for all employees in the US** – [see details and get a flu shot voucher here.](#)
