

Winter 23' -24' | Issue 9 | Dec. 8, 2023

It has been snowing at the resort and, we saw some cats get on the hill today. While we still don't have enough snow to open the main resort, we are excited to share that Nordic will open this weekend with a snow-shoe package!

Also, for those travelling to the resort this weekend for training, we will have transit available. The schedule is attached to the main email body. If you have any questions on this, let us know. Looking forward to seeing you all!

### Coming Soon: Continuous Listening Survey

It's that special time of year again, and no we're not talking about Christmas. It's time to send in your feedback through our company feedback survey!

From Dec. 13-22, our Continuous Listening survey will be open for you to share honest and candid feedback about your experience as a team member at Vail Resorts. Your anonymous feedback goes directly to your manager, your leadership teams, and our company leaders, so we can support your experience as a member of our team.

Be on the lookout for an email invitation from "Vail Resorts Employee Surveys" and remember the more we hear from you the more we can change.

### Clothing Drive

Hey, do you have a pair of ski/sb pants that just haven't fit right since that turkey after Thanksgiving? Maybe you have extra winter clothes that just collect dust in that one part of the closet we don't talk about.

Whatever the case may be, bring those items to the mountain for our new clothing drive! Drop off will be in the Birds Nest from Dec. 15th — 23rd.

We will be accepting items such as coats, gloves, beanies, boots, buffs, etc.

### Carpool Sign Up

You asked and here it is! <https://shorturl.at/lpxD7>

If you are interested in carpooling this season, simply add yourself to the list so that you and other staff can easily connect.

Special thanks to our staff: Adam Kobren, for sharing this creative solution and, Anna Pree, for taking the initiative to create this document!

### Locker Room Cleanliness

It was great having the locker room full this last weekend and, we definitely saw the impact. Please remember that we all share this space and all are responsible to maintain its cleanliness. As a reminder:

- Please store all equipment/gear properly
- Avoid leaving food and wrappers/containers out or uncovered
- Clean your dishes after use
- Dispose of all trash in the proper receptacles.

Thanks for your help and understanding.
