Issue 26
Winter 23'-24'

One Week Left!

Happy Friday!

April is here and the season is almost over! Come join us tomorrow for the SRS Party and mingle. Also, double check your lockers and tidy up areas to make sure nothing gets left behind on your last days.

Javelin Turns, Royal Christies, Worm Turns, The Mambo, Stories of the Past at Stevens Pass, and much much more!

Join us for an engaging Fun Clinic with Beth Tesh & Rusty West on Saturday, April 13th. This clinic will be held twice: from 9:15 to 11:15 AM and again from 1:15 to 3:15 PM. We'll start in the locker room, then head out to ski the mountain, sharing stories and tricks from the past. Don't miss this chance to hear fascinating tales and learn "hotdogging" tricks invented in the 1960s!

While most tricks are ski-based, snowboarders are welcome to join—how does one do the 'Worm Turn' on a snowboard, anyway? Sign up on the training schedule or feel free to just show up.

BONUS: Identify the person in this photo: "Patroller BVD" (costume and makeup by Beth Tesh). Hint: the full name can be found on a bench in Granite Peaks Lodge.

Don't Forget!

Return your uniform at the end of your last shift to the Employee Store or Uniform Office.

If the Employee Store is closed, leave the uniform garments in the black laundry hamper outside the door and fill out the sheet on the clipboard.
