

THE WORD

May 3, 2024
Issue 29 | 23'-24'

May is officially here and it's already starting to feel like spring/summer at the pass. The snow is melting and plants are starting to pop through which signals is time to switch to our off-season cadence.

We will be launching our summer version of the Word next time and will be switching to a biweekly cadence.

Upcoming - New & Improved EpicEmployee

We are excited to share that EpicEmployee will be getting a refresh with a new webpage and app coming later this month! This new re-imagined EpicEmployee experience will be a one-stop-shop for all employee services, tools, resources and support. New features include:

- Search Function
- My Cases: Quick access to HR and IT support
- My Active Items: Prompts to complete key tasks
- And More!

We'll be sure to share more once it launches!

End of Season – EpicEmployee Access

As of now, all staff have been transferred to an inactive status. You can still access your pay and W2s, as well as anything HR related.

To do so, visit alumni.vailresorts.com

Username: your employee ID number
