

It's the last day of May which means June and, therefore the start of **Bike Park**, is right around the corner! Our resort opening day for Bike Park will be Thursday, June 27th for passholders and, Friday, June 28th for everyone.

There is a ton of fun to be had during the summer at our resort; disc golf, scenic rides, hiking, berry picking and, of course, biking! If you haven't experienced our resort in the summer time, it's an absolute bucket list item!

Plus, new this season, we are offering our winter SIS staff 50% off the cost of a **BP 101 lesson**. For those of you new to the sport, we'd love to have you join us. Plus, it's a great way to put yourself back into the beginner experience. Hope to see you all here!

Congratulations

For most of us, the season wrapped up in April, but a few dedicated members of our team continued to push toward their goals.

We are so proud of everyone who attempted the Level 2 Snowboard exam in May at Mt. Hood Meadows. And, we are thrilled to extend our deepest congratulations to **Winston Wolf**, who completed his Snowboard Level 2 certification! And, to **Jeanine Chase**, who successfully passed her Snowboard Level 2 Teaching module!

Well done to both of you!

Winter Hiring is Coming

On **June 6th** certain winter roles including our Cert and Non-Cert Instructor positions will be posted externally on our job page.

If you know anyone who is curious or interested in joining our team, please let them know and **have them apply**.

As a reminder, all staff ending in good standing and, on SIS (Seasonal Inactive Status), do not need to reapply. If you have questions about this, please reach out to us.

Seasonal Program Launch Update

Early seasonal program registration kicked off this last week and, goodness, it's been going well. We are excited to share that registration is strong and already outpacing last year's numbers! This early success reflects the enthusiasm and loyalty of our community and the contributions you have made to facilitate their experience.

We want to thank you all for building meaningful connections with our families and for ensuring that their time with us is valuable and memorable. It's because of this and the passion you share that they choose to continue with us.

To add evidence, many of the parents are choosing to join us too in the newly launched parent program!

Thank you again for the positive impact you've had; we are excited for next season and look forward to seeing how we can continue to improve and grow.

Summer EE Events

Help Us Plan Our Next Exciting Staff Event (or Two)!

We need your input: What activities would you love to participate in?
Which dates work best for you? Where should we host this?

Share your preferences and ideas with us, and we'll use your responses to craft some memorable summer experiences. Your feedback is invaluable in creating events that everyone will enjoy.

Lastly, please aim to keep ideas as inclusive as possible. We look forward to your responses.
