Elective Training

- Elective training is non-paid training and, is free to attend. You must be out of uniform.
- This calendar is subject to change.
- Training requires a minimum of 4 people in attendance for it to go out unless otherwise approved by the trainer/leadership.
- We will be adding L1 exam dates and L2/3 exam prep clinic once the dates of the assessments are released.
- We are planning to have one mock assessment per month, dates TBD.
- Park Smart clinics TBD. We will hold these at the start of the season, before multiweek lessons start but are dependent on the terrain parks being ready to accommodate us.
