

Yay! Bike Park is open!

Thursday we welcomed our employees and pass holders for an appreciation event. It was fun and a great way to celebrate our community. Today, through the weekend, we are excited to welcome more guests and take out our first lessons!

Bike Guide Training -

Reminder: For Bike Park staff, on your training day, please remember to bring your gear (bike, full-face helmet and, elbow/knee pads). If you don't have these, we have some available.

For everyone:

All trails except Lichen It and the hiking trail are open. We expect them to open once the remaining snow has melted and our trail crew can finish any maintenance. Remember, winter 23/24 employees who ended in good standing qualify for limited summer perks including free scenic rides and a discounted summer season pass.

We hope to see you all up here this summer!

Winter 24-25 Job postings

Save the date: Most of our remaining winter 24-25 job postings will be posted on Thursday, July 18th.

While our **instructor positions** are already posted, with candidates rolling in, we look forward to launching our remaining roles which include Support Staff and some Leadership positions. Remember, if you ended on SIS last season, you do not need to reapply unless you want to change positions or departments. If so, let us know!

If you know anyone interested in joining the team, please have them apply. Any questions can also be directed to us at SPSchoolStaff@vailresorts.com
