

Did you know? **We are 133 days away from the start of the winter season!**

It's hard to imagine considering we are in the middle of summer but, before we know it, the weather will start getting colder and days shorter. In fact, for our guests, winter planning starts in 1.5 weeks with the launch of Private and Daily Group Lessons!

Reminder, for yourself, if you haven't submitted your winter schedule, now is a great time to do so. We will be opening the schedule form to new hires at the end August.

NW Mountain Challenge - Archery Event

This weekend, Stevens Pass is hosting the NW Mountain Challenge. From today, 7/26 - 7/28, archers will come together to compete in a variety of courses and challenges. Even more, on Saturday night, there will be a movie showing, raffle, and celebration starting at dusk. For this, our F&B outlets and lodges will have extended hours.

Keen to check it out? Please do! Scenic rides and the Bike Park will operate as normal however, the Disc Golf course and Nature Trail will be closed during the event (the PCT will remain unimpacted).
