

## Onboarding Reminder

Your indoor training will serve as your first working day and we will cascade the next onboarding steps to you two weeks before that date.

**Note: For us to cascade these steps, your pre-hire and pre-onboarding tasks need to be completed.**

The Onboarding phase starts with:

- New hire paperwork (New staff only)
- Attestations,
- I-9s through Equifax (New staff only),
- Ski Waiver & Pass Pick Up
- Uniform & Equipment information

These tasks need to be completed for you to begin work and before you can pick up your employee season pass.

Onboarding steps will come via email from [PeopleConnect@vailresorts.com](mailto:PeopleConnect@vailresorts.com). However, when you log in this time, you will be using your Vail Resorts Single-Sign-on (SSO) instead of your personal email address.

## Uniforms Distribution

Uniforms will be ready for distribution during your indoor training session. To help expedite the process, we will be pulling uniform bundles early so that they will be ready for pickup upon your arrival negating the need to stand in a line!

To help us facilitate this process, we ask that all employees fill out **[this survey](#)**.

It also includes a box to submit nametag requests for anyone who needs one.

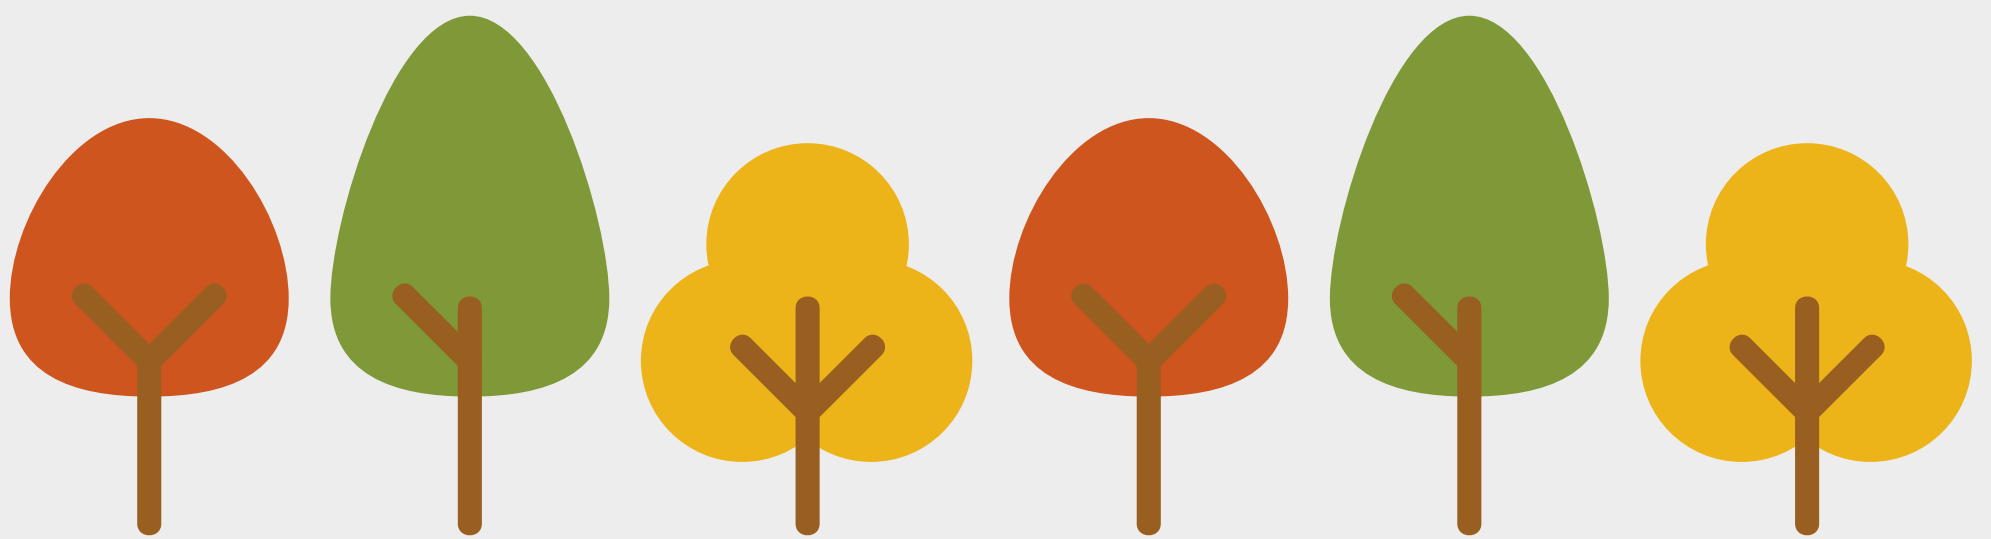

If you have any questions, let us know!

## Welcome to Winter - Harvest Lunch

You are invited to join us Wednesday, Nov. 27th from 10:00a–2:00p, for an all-employee winter kick-off event. Join your fellow resort employees to learn more about the upcoming season and celebrate with a meal together. We hope to see you there. We will start with a Welcome to Winter presentation followed by lunch.

Event will be held in the Granite Peaks Lodge.

## LIFT Training - Upcoming!

These online training videos are automatically assigned to you **24 hours before your hire date** which, will typically be your indoor training date.

The training you are assigned is based on your role and must be completed before starting on-snow training.

Please expect additional training to be assigned as we approach and move into the season. You will receive email notifications or, you can lookup your assignments in the LIFT platform.
