

Keep cool thoughts.

While the resort is currently covered in a nice blanket of snow, we are expecting some warmer weather.

For those that will be here this weekend, be sure to check the weather and plan accordingly. We can't wait to welcome back our first round of staff!

Leadership Announcement

It is with the utmost excitement that we announce **Bonnie Phipps, MPH** who will be joining our team as our new **Administrative Specialist**.

After a career in higher education and medical research leadership, Bonnie is excited to contribute her administrative experience to help others enjoy the great outdoors while learning to ski and ride.

Fun Fact: Bonnie grew up learning to ski at Hunter Mountain in New York which, is also a part of the network.

Bonnie's first day will be Monday, November 11th. Please help us extend a warm welcome and congratulations to Bonnie.

Parking Registration

It's the time to register for your employee parking hangtag. As we embark on a new parking reservation journey, it is even more important this year to collect employee vehicle information to prevent any issues with the reservation system.

Please use this link to register.

Whats more, new this year, the employee lot is moving to Lot C! More info to come.

Meet the PSIA-AASI National Team

ELLE MATALAVAGE

The PSIA-AASI National Team has always represented the best of us in snowsports instruction.

Each member selected for the 2024-28 team has earned their place by excelling not only in technical skiing and riding but also by showcasing outstanding teaching skills, leadership, continuous learning, and community building. We are excited that one of our own, **Elle Matalavage**, has earned a spot on the team this season.

Interested to learn more about Elle and the others, [check out this article](#).

Not a PSIA-AASI member yet, consider joining as a registered member to learn more!

LIFT Training - Upcoming!

These online training videos are automatically assigned to you **24 hours before your hire date** which, will typically be your indoor training date.

The training you are assigned is based on your role and must be completed before starting on-snow training.

Please expect additional training to be assigned as we approach and move into the season. You will receive email notifications or, you can lookup your assignments in the LIFT platform.

Common Actions

Ask a Continuous Listening Question

Ask a Talent Development Question

Launch The LIFT Training Applica... 

My Learning

These are paid trainings so please **use ProConnect Tools to record your time**.

For new staff, we will go over how to do this during indoor training.
