

We are looking forward to keeping the season going strong and staying healthy and safe!

Kids on Lift Procedures

Please take a few moments to refresh on the [Ski & Ride School Kids on Lift Procedures](#) and [Lift Operations - Kids on Lift Operations Procedure](#).

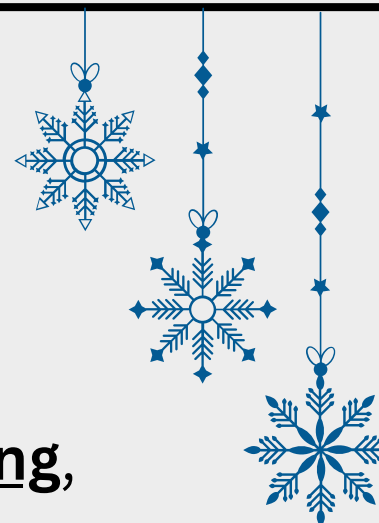

For all staff who ride a lift with children ages 14 and under participating in lessons or activities, these procedures outline class handling and organizing, lift riding requirements and ratios, lift loading, and other training and communication expectations.

The LIFT Training

If you have not completed the Vail Resorts 2024-2025 season [required online “The LIFT” training](#), please do so as soon as possible.

You can access The Lift training through [Epic Employee](#).

Until this required training is complete, you may not be able to enjoy some employee perks, such as the [PNSAA Mountain Exchange](#).

Educational Ascent Now Accepting Applications

Educational Ascent is a one-time \$2,500 scholarship for US-based Vail Resorts team members pursuing a degree or certificate program.

The winter 2025 cycle is now open, with applications accepted through January 31. From library sciences to classical music, the scholarship is here to support your continued growth.

Apply Today!

Applications accepted through January 31, 2025.

Employee Transit - Shuttle & Parking Passes

With some busy weekends ahead, we encourage you to take the employee shuttle bus offered for both the eastside and westside. You can find the employee transit schedule [here](#).

We also have a SSBS [carpool sign-up sheet](#) and [carpool list](#) for those interested in ridesharing to the mountain, clinics, or other activities. Let us know if you have suggestions for SSBS carpool coordination!

Employee Assistance Program

Just a reminder of our important benefits available to you, your dependents, roommates, and even former employees.

If you or someone you know could use support, our **Employee Assistance Program (EAP)** is here to help. You can reach out anytime at **800.873.7138** or visit [Minesandassociates.com](https://www.minesandassociates.com).
