

It's the start of February, which means we're nearing the midpoint of the season! With plenty of winter still ahead, it's a great time to reflect on our progress, celebrate our successes, and gear up for the weeks to come.

In line with this, we are currently facilitating mid-season connections with full-time staff! If you're a Part-Time team member and would like to check in, receive feedback, or explore future opportunities, we'd love to connect. Let us know, and we'll be happy to set up a time.

Spotlight -

As staff, we get the opportunity to work with some amazing people. Recently, our own David O'Donnell had one such experience coaching Bianca Hayden, an Invictus Games athlete, as she prepared for the international competition. His expertise and support played a role in helping her get competition-ready. **Check out the Seattle Times article** highlighting Bianca's journey and David's contribution to her training!
