SSBS Party!

This Saturday we host our annual department party! Please join us for food, fun and to celebrate all of your accomplishments this season.

We will start BBQ'ing in the afternoon with food rolling out to support all program end times. Awards will be handed out after lessons conclude around 4:00p.

Haven't cast your vote yet? There's still time...

Lastly, have any pictures for the slideshow? Get them to Maddie!!

Congratulations

Exam season is still in full swing and, it's not over yet. This time, please help us celebrate the following candidates who successfully passed their assessments!

Level 1 Snowboard:

- Abby owens
- Maddie Egaas
- Ben Valdez
- Meghann Silagan
- Alicia O'Donnell

Level 2 Telemark:

Stevo Kerr

Level 3 Telemark:

Tre Nabstedt

This Weekend -

This weekend, we (SSBS) are hosting a voluntary **Big Mountain Clinic on Saturday and Sunday.**

Open to skiers and snowboarders, this is a great opportunity to tackle new terrain, discover the impact of line choice and just have a fun time with your peers.

Sign up via [Instructor.Snow.com](https://www.instructor.snow.com); space is limited.

At the resort level, **Women's Weekend** is this Sat. and Sun! So far, we have over 250 registrants and a jam-packed events timeline. For more info, click [here](#).

Our department is proud to support this event by offering free lessons to participants' children and providing instructors to serve as ambassadors for the group ride. Interested in serving as an ambassador?

Reach out to Alicia.

Uniform Return

As you wrap up your season, please remember to clean out your locker (if applicable) and **return your uniform to the Uniform Room in the Bird's Nest.**

If the Uniform Room is closed, you can drop off your uniform in the designated cart outside the storage area in the Lift Experience Locker Room.

Uniform Return Checklist:

- ✓ Pants
- ✓ Mid-layer
- ✓ Outer jacket
- ✓ Rain gear

No need to return: Helmets, hats, beanies, or gloves.

Damaged gear? Let us know! Reporting any damaged items helps us get them repaired over the summer.
