

End Of Season

It’s official, our official season-end date has been announced for April 13th. Take this last week to savor the lift-served skiing/riding and stay one day longer for our **resort employee party on April 14th!**

Hogsback will be spinning for those wanting to ski/ride! Plus, other fun activities that don’t require lifts 😊 !! As in seasons past, we’ll have a food truck, raffle, and slideshow presentation!

Recognize your peers by **casting your vote for Spirit of Stevens Pass and Leader of the Year!**
The ballot will come out soon - stay tuned!!

This Weekend

Like last **weekend**, we (SSBS) will host a voluntary clinic this Saturday and Sunday. The focus this time...**Carving!**

Whether you're looking to refine your technique, increase edge control, or explore higher-performance turns, this clinic will help you dial in your skills. Sign up via Instructor.Snow.com; space is limited

On **Saturday**, the resort will be hosting an **Avalanche Dog Meet and Greet**. Feel free to stop by: the patrol dog handlers will be answering questions and will conduct a burial demonstration!

On **Sunday**, the resort will host it's 3rd annual **Pride Parade** on Daisy.

Uniform Return - Reminder

As you wrap up your season, please remember to clean out your locker (if applicable) and **return your uniform to the Uniform Room in the Bird's Nest**. Please do not leave uniforms in the locker room.

If the Uniform Room is closed, you can drop off your uniform in the designated cart outside the storage area in the Lift Experience Locker Room.

No need to return: Helmets, hats, beanies, or gloves.
