

THE WORD (SUMMER)

June 12, 2025
Issue 4

The official start of summer is just over a week away—but with all this sunshine and warm weather, it already feels like it’s here!

The great conditions have given our summer trail crew a head start, and they’ve been busy dialing in the bike park trails to get everything ready for opening day later this month.

For our returning Bike Park team: you've officially been reactivated! Please take a moment to complete any outstanding onboarding tasks so you’re ready to roll. We’re looking forward to welcoming you back to the mountain soon!

Winter Hiring has started

Our **Certified and Non-Certified Instructor postings are up.**

If you know anyone interested in joining our team, please let them know and have them apply.

As a reminder, all staff ending in good standing and, on SIS (Seasonal Inactive Status), do not need to reapply. If you have questions about this, please reach out to us.

EpicService Champion: Matt Crump

Every month, individuals all across Vail Resorts are nominated for their acts of Epic Service. These employees go above and beyond any job expectation to make an impact on a guest or fellow employee, and they are rewarded in each resort’s own special way.

At the end of the winter, a champion is selected to represent a resort, and this year, they are invited to attend the annual Ambassador Trip to Beaver Creek, Colorado.

Over the last year, Stevens Pass recognized 10 Epic Service winners, all nominated by their peers. It is with great appreciation that we recognize Matt Crump (who works in Food & Bev) as our Epic Service Champion and Ambassador for Stevens Pass! Way to go Matt!

Starting June 2, join us Monday through Thursday for dynamic sessions that rotate through various disciplines and cover the topics listed below. Check out the schedule and links below to get started.

The diagram features a central cloud-like shape on the left containing the text "Links: Click here to join at meeting time." Four arrows point from this central shape to four separate text blocks on the right. Each block consists of a day of the week followed by a session name in bold and underlined text.

- Mondays
Children's Specialist
- Tuesday
Snowboard
- Wednesday
Alpine
- Thursday
Adaptive

On the far right, a separate cloud-like shape contains the text: "Sessions will kick off at **5:00pm Pacific time.**"

The diagram illustrates the structure of the Summer Clinic. On the left, the text "SUMMER CLINIC" is written vertically in large, bold, blue capital letters. To the right, a vertical line of seven blue dots separates the title from the content. The content is organized into two main sections, each with a grey banner header and a description below it. The first section is "WEEK 4 APPLICATION", where participants present their understanding of a topic, possibly including Movement Analysis, Technical Analysis, and/or demonstration of teaching models/concepts. A horizontal dotted line separates this from the second section, "WEEK 5 WILDCARD", which is an extra week of multi-disciplined "Tech Talks" from advanced educators. The entire diagram is set against a light grey background.
