# Meet our New Administrative Specialist!

If you have worked a winter at Stevens Pass in the last four years, you may hear a familiar voice around the SRS building... Adrienne Higbee is joining us from Dispatch as our new Administrative Specialist! This will be Adrienne's fifth winter with Stevens and would have been her fourth Bike park, however she was busy adding to her family this summer. You may see the newest addition around, her brand new baby boy Rio Atlantis. Rio joins his canine siblings Luna and Sol making up a chaotic family of five.

While Adrienne currently represents team snowboard, she grew up skiing in Big Bear with her Mom and Dad. Eager to try out the world of cross country, you can catch her in the Nordic center this season on her days off. Adrienne is looking forward to meeting the instructors and helping out in every way possible to make this a great winter season both for staff and guests. Don't be scared if she wants to show you her spread sheets... it is one of her nerdiest hobbies (and skill sets) to date.

You can find her in the old "blue room" office near private lesson sales. Once you venture past her growing plant collection, you can count on her smiling face to help with any questions or concerns that may arise.
