

Happy Autumn everyone! The count down is on as the supervisors are set to arrive this Monday. Things are getting polished up around the lessons center and it is time to start checking that inbox! And remember... don't get spooked away from your pre-boarding tasks, getting these dialed in helps us to bring your hire status back from the dead....

Pre-Boarding & Onboarding Help

I-9 FAQs For When your Status gets Re-Activated

PSIAA Event Calendars are Here!

We wouldn't put out an issue with out a little fun... *because all work and no play...* doesn't leave room for improving our ski time!

[Event Calendar Linked Here](#)

Skip ahead to November 1st to see details about their Fall Seminar, an all day event scheduled online through Zoom. Keynote speaker Niki Pavlicek kicks off the morning with “her experience applying an Outward Mindset by Arbing Institute and its possibilities, reminding us of our impact on others as an instructor.” Breakout groups will follow, some topics include things like; the history of snow sports, The Flat Ski Advantage, Managing Pressure, and more!
