Happy Halloween!! The moment we have been waiting for... Youth Programs unveil! But first we tackle a few nuts and bolts and bring attention to a movie showing on the west side, that will be sure to get you dreaming of powder days (if you havent already).

PreBoarding, OnBoarding & Uniforms... Oh My!

Keep checking those inboxes and ticking off your preboarding steps with People Connect. We have been seeing lots of movement in your replies and we are so grateful for your attention! This process can get sticky, so kudos on being on top of those requests. The quicker we get through it, the quicker we get to do we what we love.

Of course we cant mention Onboarding with out a link from your Admin...

Uniform Sizing

Having this info ahead of time helps to get your uniform kit ready for your arrival and leaves plenty of time to work through sizing issues.

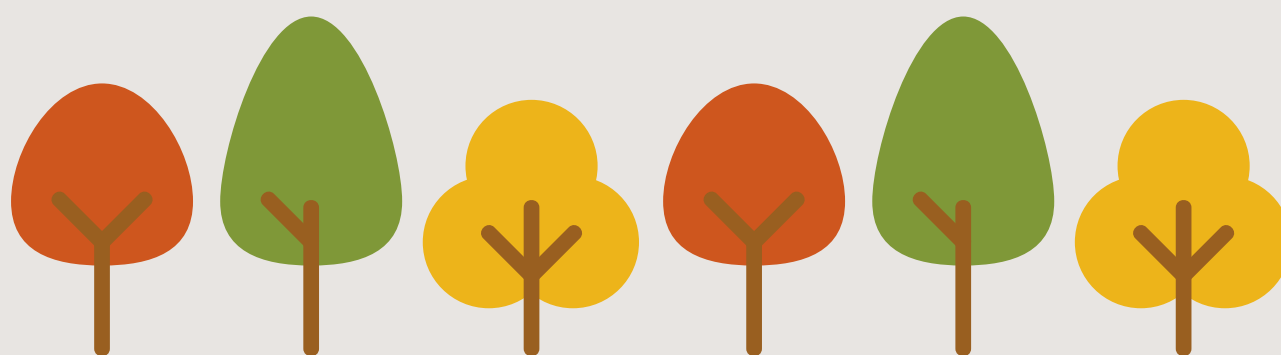

Your input is greatly appreciated.

Youth Programs - An Update & An Unveil!

The Mural is Up! Painted by one of Stevens Pass’ own, Jo Rivera-Butler, her new mural now spans the entire downstairs wall, showcasing Jo’s incredible talent and bringing fresh energy to the space.

Behind the scenes, our Building Maintenance crew has been hard at work revitalizing the bones of our beloved building. Recent updates include new bathroom flooring, new double doors, a refreshed wall that gives our support staff a dedicated space for snack prep, and even a cozy corner for kiddos to warm up after they get a little chilly out on the slopes.

Our supervisor team is also rolling up their sleeves to add a fresh coat of paint around the windows. The building is sparkling with excitement, and we can’t wait to welcome both new and returning guests to experience the updates the season firsthand!
