

THE WORD

November 13 25
Issue 6 | 25-26

Greetings All. The darkness and rain is upon us this week, but fear not! The temps are bound to start dropping soon, so keep those snow dances going as we edge closer to the end of November... May we all have something to celebrate as the Autumn season comes to a close.

This weeks word is a bit form heavy, but a little extra time now helps us all get a little closer to skiing and riding the Stevens Pass pow on our favorite runs. You may also see some redundancy as we set some reminders for the hiring process, a big share of gratitude for everyone working through these tasks! Lets keep the momentum going!

Onboarding

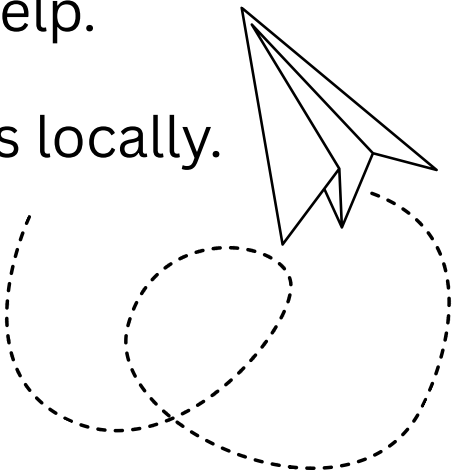

By now, many of you are in the process of completing your onboarding tasks. This is an essential step to becoming an active employee and gaining access to our instructor systems, so please don't delay.

For new employees, this includes completing your I9. Completing this step with 3 days of your indoor training date is crucial to avoid needing to repeat any part of the onboarding process.

For minor employees, additional paperwork will need to be completed and has been emailed to you.

To access your onboarding tasks, you should have received an email from PeopleConnect with your Vail Resorts Single Sign-On details and default password. Using a web browser on a desk top or lap top is recommended, as the app has been known to cause some issues. If you're having trouble accessing your account, please let us know. Should you find yourself locked out, our IT Support Team is here to help.

For your privacy, we are unable to reset accounts locally.

And now for some fun...

We're excited to bring everyone together for a big Stevens Pass welcome. Nothing builds community like sharing a meal and great company. Mark your calendars and come celebrate the start of the season with us. We can't wait to see you there!

Last but certainly not least... Warren Miller Presents is in Washington!

From the website:

“Join a stacked lineup of Olympians, urban riders, and local legends as they celebrate the spirit of the season, from the Scottish Highlands and the streets of Finland to the back bowls of Whitewater, BC, and a local hill-turned-terrain park in downtown Denver. Warren Miller's SNO-CIETY hits theaters nationwide this fall.”
