

THE WORD

November 21 25
Issue 7 | 25-26

Hello Everyone! Our last indoor training session starts tomorrow & we are getting closer and closer to winter season 25/26! As we get more serious about our snow dances, it is also a good time to start checking our your winter kit and its condition. Goggles? Helmet? Bindings? Skis & Boards waxed? Getting prepared now can get you shredding that much quicker once the snow sets in.

Missing an item? Looking to upgrade? If your pass is active, you are also now eligible for Prodeals! See below on how to access the perks section of Epic Employee.
