

THE WORD

April 9th 2026
Issue 27 | 25-26

As we close the chapter on a truly wild and weather-filled winter season, it's worth taking a moment to recognize the resilience and commitment that carried us through. This year tested us with some of the wettest, most challenging conditions we've seen in a long time—and time and again, you all showed up with determination, flexibility, and care for both our guests and each other. That dedication is what keeps Stevens moving forward, no matter what the forecast brings.

Amid the rain and shifting conditions, we were reminded of exactly what Stevens Pass is all about during our incredible powder week. Deep snow, the sound of the “woo hoos” in the background, and smiles that only a true Stevens storm cycle can deliver—that March week (plus a couple early season days) was a highlight of the season and a solid reminder of why this mountain holds such a special place in our hearts.

As we begin to transition out of the season, a few important offboarding items remain. Please be sure to complete your **Intent to Return form**, return any uniform pieces, and—most importantly—don't miss our **Employee Ride Day on April 13th!**

RSVPs are still open, and we'd love to see as many of you out there celebrating an unforgettable season together.

RSVP here: [RSVP Employee Appreciation Party](#)
[Transit Schedule for Employee Ride Day](#)

+INTENT TO RETURN FORM +

Please do not delay! We need this form filled out **before June 1st**! If this is not completed in the system, your position will automatically term and you will have to REAPPLY FOR YOUR JOB.

Help us make next seasons hiring a pain free as possible and ensure your status. Use this link to get to the form: [Returner Interest Form](#)

Heads UP! Epic Employee Access following the end of the season, all staff will be placed in an inactive status. You can still use EpicEmployee to access personal information such as pay and W2s but the login process will look a little different;

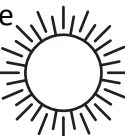

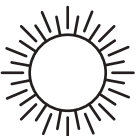

Visit: EpicEmployee.Vailresorts.com/Alumni
Username: Employee ID Number
Password: P\$wdXXXXXX (where XXXXXX is your birthdate in MMDDYY)
Any questions, please let us know!

SUMMER FUN!!

Join us on the eastside this summer for some much needed sun and river time. The Leavenworth Outdoor Center is hosting a float for us and it would be great to see some friendly faces in summer mode.

July 12th at noon

[SIGN UP HERE](#) (Use the Code SPSS at check out)
