That's right, we're back to our regularly scheduled program of weekly newsletters!

As the season ramps up, so do the updates. Over the coming weeks, we'll be sharing important information on onboarding, training, scheduling, technology updates, key dates, and everything you need to be prepared for a successful winter season.

So, without further ado... Issue #1 of the 26/27 Winter Season

## Schedule and Offer Letter Reminder:

Please ensure you have signed your offer letter and submitted your schedule form as soon as possible! Signing your offer letter initiates your preboarding tasks and helps streamline the onboarding process for the season. Submitting your schedule early gives you access to the greatest selection of available dates, making it easier to find an option that works best with your schedule.
